American and National League Leaders Predict Successful Season.

By R. B. JOHNSON.

I look for a grand race in the I do not desire to pose as tors as formerly.

The present weather conditions continuing until Tuesday, the opening day in four of our cities should be highly gratifying. The public continuing until the work of these two teams in the seems to be keyed up and eager for the inaugural battles. And I have no doubt but that it will continue methods on the fled will not be particularly fortunate in picking up countenanced.

American League this year. At least prophet, but at the same time I several of the clubs appear to be think I can go safely on record and evenly balanced and should fight it out say to the patrons of the National to the very last. For that matter, all League that in 1908 for the first time eight seem to be stronger than be- in a number of years we will have fore and it would not surprise me in a championship race of more than the least to see all of them closer ordinary interest. My reasons for together at the end of the year. The making this statement are because public has taken more interest in the While the Chicago team, our chamtraining season than in the past. I pions, have not gone back, still the have followed the teams in the South this spring and in point of al League have gone forward and attendance the games have drawn are in much better condition to give two or three times as many specta- an account of themselves this year

than they were last year.

The trade between the New York throughout the year. The American returning to his form of 1905, and if League has always striven to present clean, high-class ball and the same policy will be followed. Rowdy

York club. This same club has been

DRIVES OUT . RHEUMATISM

A good liniment or plaster, or some good home remedy will usually give temporary relief from the pain of Rheumatism, but the disease is more than skin deep and cannot be rubbed away, nor can it be drawn out with a plaster. Such treatment neither prevents nor cures; the excess of acid, which produces Rheumatism, is still in the blood and the disease can never be cured while the circulation remains saturated with this irritating, pain-producing uric acid poison. The trouble will shift from place to place, settling on the nerves and causing pain and inflammation at every exposure or after an attack of indigestion or other irregularity. When neglected or improperly treated, Rheumatism becomes chronic and does t not depend upon climatic conditions to bring on an attack, but remains a constant, painful trouble. S. S. S. drives out Rheumatism by neutralizing and expelling the excess of acid from the blood. It purifies and invigorates the circulation so that instead of an acid-laden stream, constantly the joints, muscles, nerves and bones, the entire and made healthy by rich, life-giving blood. Book any medical advice desired will be sent free to all THE SWIFT SPECIFIC CO., ATLANTA, GA.

ENGINEERS PREPARE

Officials of the Engineer Department are preparing for the work of the coming season. The schedule of repair work for streets involves a proposed expenditure of \$454,000. The laying of new asphalt streets will cost approximately \$250,000. The work will cover a period of several years. Last year about \$390,000 was spent for repairing new streets and repaving id ones within the city limits, and a out \$190,000 was expended in the construction and repair of county roads.

The Commissioners are in receipt of petitions from business men and property-owners on streets paved with grantite blocks asking that the block be replaced with asphalt. The reasons given are that the block pavements are noisy and interfere with business and quiet of the resident.

The Commissioners believe that most of these streets should be replaced with asphalt, but Congress has probibited them from including such work in their estimates. Officials of the Engineer Department

GASOLENE STOVE EXPLODES.

The explosion of a gasolene stovicaused a small fire this morning in the home of Mrs. Ellie Collins, 912 E street northwest. Twenty-five dollars will cover the damage.

Deafness Cured BY NEW DISCOVERY

"I have demonstrated that deaf. ness can be cured."- Dr. Guy Clifford Powell.

The secret of how to use the mysterious and invisible nature forces for the cure of Deafness and Head Noises has at last been discovered by the famous Physician-Scientist, Dr., Guy Clifford Powell. Deafness and Head Noises disappear as if by magic under the use of this new and wonderful discovery. He will send all who suffer from Deafness and Head Noises full information how they can be cured, absolutely free, no matter how long they have been deaf, or what caused their deafness. This marvelous Treatment is so simple, natural and certain that you will wonder why it was not discovered before. Investigators are astonished and cured patients themselves marvel at the quick results. Any deaf person can have full information how to be cured quickly and cured to stay cured at home without investing a carry. Wette today to Dr. Cur (Wifford
